Your team has been assigned a Dugout Official who will inspect your team’s equipment prior to each game, this person’s main function, however, is to remain in close proximity to your team’s dugout to assist you or your players as needed.

In view of prevailing trends in today’s society we of PA District 22 want to insure all players’ safe transit to and from rest room facilities during your games, it is for that reason that the player/s must ask the Dugout Official to use these facilities. The Dugout Official will insure the player reaches and returns safely to your dugout in a timely manner.

Additionally the Dugout Official is charged with insuring that no spectator approaches your dugout during the game. It is our intent and I’m sure your wish to have the least number of distractions from outside the playing field during your games. Keep in mind your teams scorebook must be kept within your dugout by someone listed on your eligibility affidavit.

We will endeavor to have 4 umpires at each game through-out this tournament; all are unpaid volunteer members of the PA District 22 Volunteer Umpires Association. You will note through your experience with them that they are very professional, extremely conscious of decorum and are very approachable.

Our goal for this tournament, win or not, is to have you, your coaches and especially your players be able to look back on it and recall a positive memorable experience.

In closing, this tournament will be deemed a success, not by who wins, but rather by the level of communication we maintain. In that regard please feel free to contact me or the person/s listed on the tournament cover sheet with any questions you might have.

Wishing you and your team the best.

Sincerely,

Earle B. Mercadante
